Dress Down for Down Syndrome March 21st

Down Syndrome International has officially designated this special day, 3/21, to symbolize the triplication of the 21st chromosome. World Down Syndrome day was first instituted in 2006 and has grown exponentially across the globe.

The Down Syndrome Advocacy Foundation (DSAF) is a not-for-profit organization [501(c) (3)] founded by a group of individuals who have children or family members with Down syndrome, dedicated to ensuring that individuals with Down syndrome have equal access to schools, leisure activities, employment, and housing.

We are in need of sponsors for this exciting day.

Schools and Businesses are welcomed to participate.

If March 21st is not a convenient date, any day to dress down to raise awareness for Down syndrome would be greatly appreciated.

For as little as \$2 per adult and \$1 per child you can make a difference in the lives of individuals with Down syndrome.

(Bracelet giveaways for participants available upon request)

All donations to DSAF are tax deductible and can be mailed to
